

Hey, Good Morning!

**An inspirational way
To start the day!**

Sing and Clap Along!

**Recording and Guitar
Chords included.**

Let's
start our day
singing!

Hey, Good Morning!

**It's a day, you'll never get back!
It's a chance to get yourself on track.
It's a morning all shiny and new,
A precious gift that's been given to you!**

**It's a memory waiting to be made.
It's a brand new game to be played.
In a world of discovery-
Another chance for us to be**

CHORUS

**(Claps ta-ti-ti-ta-ti-ti-ta)
Hey Good Morning!
(Claps ta-ti-ti-ta-ti-ti-ta)
Hey, Good Morning to you!**

**So decide to have a ball.
Take in the miracle of it all.
And sing life's joyous song,
Sing it loud and sing it strong.**

**Tell me where would you rather be
Than here right next to me.
Ready to share in this day.
Helping each other along the way.**
