

# 5 Little Leaves

Adapted by Melissa Dolan  
Playing Through Preschool

Five little leaves on the tree next  
door,  
One fell off and then there were four,  
Four little leaves shaking in the tree,  
A bird plucked one off and then there  
were three,  
Three little leaves not knowing what  
to do,  
Swish went the wind and then there  
were two,  
Two little leaves shinning in the sun,  
Along came a caterpillar and then  
there was one,  
One little leaf, sad and alone,  
Shake, Shake went the tree and now  
there are none.
