

Baby Beluga is a fun children song about a little white whale.

Students I work with sometimes need visuals to participate.

This also encourages the student reading from left to right as they 'read' the pictures.

Baby Beluga

in deep blue sea

swim so wild

and you
swim so free.

Heaven

above

and the sea

below

your just a little

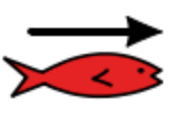

white

whale

on the go!

Baby Beluga

Baby Beluga

Is the water

warm ?

Is your mama

home

with you

so happy ?
