

Making New Year's Resolutions

*Every year,
around January 1,
many people
make new year
resolutions.*

A resolution is a goal someone sets or something they want to do in the coming year.

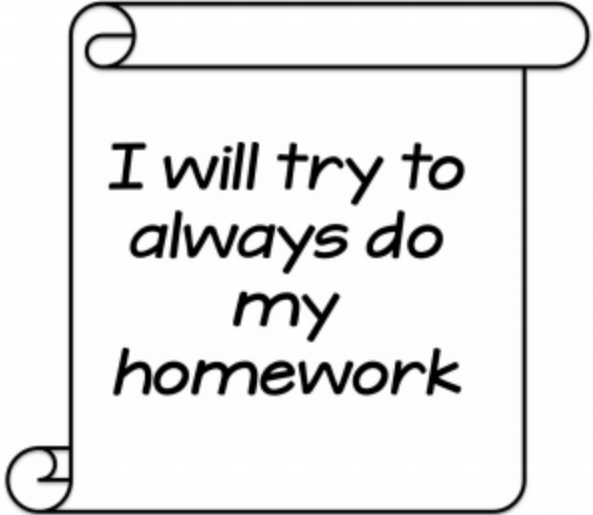

In 2022, I want to be well behaved so I will try to be quiet when my teacher is talking.

Some people
resolve to be
kinder to others
around them.

I will try to
be nicer to
my
brother

Some people
resolve to
improve at their
job or at school.

I will try to
always do
my
homework
